These rates may be taken to represent the rate of mortality among insured lives in Canada. Fraternal benefit societies are included in this table. Group insurance is not included.

*Beginning 1970, the number of certificates issued under "shared" groups has been counted on a pro-rata basis.

The figures in the foregoing paragraphs are based on the returns of federally registered companies. The Office has continued the practice of collecting information from companies and societies operating under provincial jurisdiction only. The figures have been kindly furnished by the companies and societies in response to a circular letter issued by the Office and while replies have not been received from all of them, the omissions are not believed to be important. These figures have been incorporated in the following table to show the total life insurance in Canada for 1986 on a direct basis.

Canadian Companies: Investments under Subsection 63(4), of the Canadian and British Insurance Companies Act

In 1948, the Canadian and British Insurance Companies Act was amended establishing a "Basket Clause". This permits Canadian companies to acquire investments not falling within regularly prescribed classes. The original limit on such investments was 3% of the total book value of a company's assets. Further amendments altering the limits were made in 1961, 1965 and 1977. The current limits, as a percentage of the total book value of a company's assets, are 7% for investments other than real estate and 7% for real estate. Of the investments in real estate, a limit of 2% may be non-income producing.

Policy Loans (All Companies)

During the ten years 1929-1938 there appeared in the Reports a summary of the trend of policy loans and the ratio of policy loans to policy reserves at intervals since the year 1910. The figures in the report of 1938 show that, for some years up to 1928, the ratio of loans to reserves in Canada for all companies was quite uniform at about 15%; that thereafter a marked increase in the volume of loans and in the ratio occurred to a maximum ratio of 20.9% in 1932, and that a gradually reducing ratio was shown from the latter year until 1938 when it reached 15.8%. The ratio declined to a level of 5.8% in 1949 then varied between 4.8% in 1965 and 6.8% in 1978. The ratio for 1986 was 5.1% determined as follows:

Life Insurance

GENERAL REMARKS

During 1986, the volume of life insurance in force in Canada issued by federally registered life insurance companies and fraternal benefit societies continued a trend of growth. The amount of life insurance in force in Canada at the end of 1986 stood at $778 billion, recording an increase of 11% over the corresponding figure for 1985. Of this total volume in force, $426 billion, or 55%, represented insurance issued under group contracts, the same proportion as in the previous year. The amount of individual insurance in force in Canada at the end of 1986 was $352 billion as compared to $309 billion in 1985.

Newly effected individual life insurance issued in Canada was $75.3 billion in 1986; this represents an increase of 6% over the 1985 figure as compared to an increase of 8% for the previous year. The amount of new group insurance coverage issued during the same period was $45.6 billion, an increase of 21% over 1985 as compared to a 9% increase in the previous year.

Total premiums for life insurance in Canada (excluding premiums or considerations for annuities), were $4.8 billion for 1986; of this, $3.3 billion, or 69%, was paid under individual contracts, the balance being accounted for by group contracts. Canadian incorporated companies accounted for 76% of the premiums for life insurance in Canada as compared to 76% and 75% for the two preceding years.

Virtually all of the group insurance in force takes the form of term protection. However, the proportion of individual insurance in force that takes the form of term protection is also significant. It is estimated that 53% of the amount of individual insurance in force in Canada is of the term variety. With the high popularity of term insurance, the percentage of newly effected individual insurance in Canada taking the form of term protection is even higher. Ignoring the effect of reinsurance ceded and excluding business issued by fraternal benefit societies, it is estimated that 62% or $56.2 billion of the $90.8 billion of the total newly effected individual insurance in Canada in 1986 took the form of term insurance and temporary additions.

The total premium income in Canada for life insurance including annuities amounted to $11.7 billion, an increase of 11% over the 1985 figure. Of this, $6.9 billion, or 59% of the total, represented considerations for annuity contracts. Of the 1986 total of $6.9 billion, $3.3 billion or 48% represented premiums received under individual annuity contracts with the remaining $3.6 billion, or 52%, arising from group annuity contracts issued to employers wishing to provide pension benefits to their employees.

As respects dividends to participating insurance and annuity policyholders in Canada, a total of $913 million was paid or credited to their accounts in 1986. This figure represented an increase of 8% over that for 1985.

Accident and Sickness Insurance Transacted by Life Insurance Companies

Premiums written in Canada for accident and sickness insurance transacted by life insurance companies in 1986 grew to $2.80 billion, an increase of 6% over 1985. The assets supporting the accident and sickness business in Canada increased by 12% during the year and stood at $4.89 billion at the end of 1986.

The claims ratio on accident and sickness business in Canada, which measures the relationship of the claims incurred to premiums earned, increased to 90% in 1986 from 88% in 1985.

Legislative Developments

Royal Assent was given on June 30, 1987 to two Bills (C-42 and C-56) that affect federally-registered insurance companies and fraternal benefit societies.

Bill C-42, an Act respecting financial institutions and the deposit insurance system, was proclaimed in force on July 2, 1987. Part I of the Bill consists of the Office of the Superintendent of Financial Institutions Act and provides for the establishment of the new Office of the Superintendent of Financial Institutions by combining the operations of the Office of the Inspector General of Banks, which previously supervised chartered banks, and the Department of Insurance, which previously supervised federal insurance, trust and loan companies, cooperative credit associations, investment companies and pension funds falling within federal jurisdiction.

The Department of Insurance Act, which created the former Department of Insurance, was repealed by Bill C-42. The principal provisions of the Department of Insurance Act, including those relating to the recovery of administration expenses by assessments against supervised financial institutions, are incorporated in revised form in the Office of the Superintendent of Financial Institutions Act.

Bill C-42 also contains a number of amendments to the Canadian and British Insurance Companies Act and the Foreign Insurance Companies Act. The most significant of the amendments are those revising and broadening the powers of the Superintendent of Financial Institutions and the Minister of Finance to take control of a federally-registered insurance company (or its assets) in the event of violation of certain statutory requirements. Other amendments deal with the transfer of certain responsibilities from the Minister of Consumer and Corporate Affairs to the Minister of Finance and from the Minister of Finance to the Superintendent of Financial Institutions. The remainder relate to administrative aspects of the legislation of a minor nature or to changes consequential to the repeal of the Department of Insurance Act by the Office of the Superintendent of Financial Institutions Act.

Bill C-56, an Act to amend certain Acts relating to financial institutions, was proclaimed in force on July 3, 1987. This Bill likewise contains a number of important amendments to the Canadian and British Insurance Companies Act and the Foreign Insurance Companies Act. These include amendments that authorize the Superintendent to issue directions of compliance to or in respect of a registered company that is following unsafe or unsound business practices in the conduct of its business, and to prescribe, on the basis of independent appraisals, values for real estate assets that in the opinion of the Superintendent are carried by a company at values that are too high.

A further amendment requires every company transacting the business of life insurance to maintain in respect of such business such margin of assets over liabilities and such forms and amounts of liquidity as may be prescribed by regulations or by directive of the Minister. There will be extensive consultation with the industry and other interested parties before such regulations are made.

With regard to the powers of Canadian insurance companies generally, the Bill provides specific authority for Canadian insurance companies to acquire, with the prior written approval of the Minister, more than ten per cent of the shares of a securities dealer corporation or shares of a corporation that holds shares of a securities dealer corporation.

The Bill limits the existing powers of registered companies to reinsure risks undertaken by them by requiring the prior consent of the Superintendent for the cession of business to "associated companies". The regulations will define "associated companies". The Bill also authorizes the Governor in Council to establish by regulation other limitations and conditions not restricted to dealings among "associated companies". No additional limitations and conditions will be imposed on the reinsurance of life insurance business at this time.

The Bill also empowers the Superintendent to require any registered company to file interim financial statements where he considers it necessary to monitor particularly closely the company's financial condition.

The Bill also contains certain technical changes to the existing provisions of the legislation relating to the recovery from the insurance industry of administrative expenses incurred by the Superintendent when he is in control of a company as a result of a direction of the Minister or of a Court Order for the winding-up of the company.

Respectfully submitted,

M.A. Mackenzie
Superintendent of Financial
Institutions

LETTRES PATENTES EMISES EN VERTU DE LA LOI SUR LES COMPAGNIES D'ASSURANCE CANADIENNES ET BRITANNIQUES

Les modifications apportées à la Loi sur les compagnies d'assurance canadiennes et britanniques mises en vigueur le 12 mars 1970 ont permis l'utilisation de lettres patentes à la place de la procédure de la Loi spéciale lorsqu'il s'agit de constituer en corporation de nouvelles compagnies d'assurance canadiennes et de modifier les chartes des compagnies d'assurance et des sociétés de secours mutuels canadiennes existantes. Durant l'année, sept séries de lettres patentes revisant les chartres de sept compagnies d'assurance ont été délivrées.

On peut considérer que ces taux représentent le taux de mortalité des assurés au Canada. Le tableau fait état des sociétés de secours mutuels mais non de l'assurance collective.

Les chiffres des paragraphes précédents se fondent sur les déclarations des compagnies enregistrées auprès du gouvernement fédéral. Le Bureau a maintenu l'usage de recueillir des renseignements des compagnies et sociétés dont l'exploitation relève de l'administration provinciale seulement. Les compagnies et sociétés ont eu l'obligeance de fournir les chiffres en réponse à une lettre circulaire émise par le Bureau; des réponses n'ont pas été reçues de toutes les compagnies et sociétés mais les omissions ne sont pas jugées importantes. Les chiffres ont été incorporés dans le tableau suivant qui fait état du total de l'assurance-vie au Canada pour l'exercice 1986 sur une base directe.

Compagnies canadiennes: Placements en vertu du paragraphe 63 (4) de la Loi sur les compagnies d'assurance canadiennes et britanniques

En 1948, la Loi sur les compagnies d'assurance canadiennes et britanniques a été modifiée afin d'établir la "clause omnibus". Cette clause permet aux compagnies canadiennes d'acquérir des placements qui ne font pas partie des catégories ordinairement prescrites. La limite initiale imposée sur ces placements était de 3% de la valeur comptable totale de l'actif de la compagnie. D'autres changements ont été apportés en 1961, 1965 et 1977 afin de modifier les limites. Les limites actuelles en pourcentage de la valeur comptable totale de l'actif de la compagnie sont 7% pour les placements autres qu'en biens-fonds et 7% pour ceux en biens-fonds. Une limite de 2% peut représenter les placements en biens-fonds non productifs de revenus.

Avances sur polices (toutes les compagnies)

Pendant dix années, soit de 1929 à 1938, un résumé de la tendance des avances sur polices et du ratio des avances sur polices aux réserves actuarielles depuis 1910 était inclus dans les rapports. Le rapport de 1938 indique que pendant plusieurs années, soit jusqu'à 1928, le ratio des avances et aux réserves au Canada pour toutes les compagnies se maintenait de façon très uniforme à 15% environ. Il s'est ensuite produit une augmentation marquée du total des avances et du ratio; celui-ci a touché un maximum de 20.9% en 1932 après quoi il a baissé graduellement pour atteindre 15.8% en 1938. Le ratio est descendu à 5.8% en 1949, et a ensuite varié entre 4.8% en 1965 et 6.8% en 1978. Le ratio pour 1986 s'est établi à 5.1% et a été calculé de la façon suivante:

Assurance-Vie

OBSERVATIONS D'ORDRE GENERAL

La tendance à la hausse du volume de l'assurance-vie en vigueur au Canada émise par les compagnies d'assurance-vie et les sociétés de secours mutuels enregistrées au niveau fédéral s'est poursuivie en 1986. Le montant de l'assurance-vie en vigueur au Canada à la fin de 1986 s'établissait à 778 milliards de dollars, en hausse de 11 % par rapport à 1985. De ce montant, 426 milliards de dollars, soit 55 %, provenaient de l'assurance émise en vertu des régimes collectifs, la même proportion que l'année précédente. Le montant de l'assurance individuelle en vigueur au Canada à la fin de 1986 s'élevait à 352 milliards de dollars, comparativement à 309 milliards de dollars en 1985.

L'assurance-vie individuelle nouvellement mise en vigueur au Canada totalisait 75,3 milliards de dollars en 1986, en hausse de 6 % par rapport à 1985, comparativement à 8 % l'année précédente. Le montant de l'assurance collective émise au cours de la même période s'élevait à 45,6 milliards de dollars, soit 21 % de plus qu'en 1985, comparativement à une augmentation de 9 % l'année précédente.

Les primes totales d'assurance-vie au Canada (abstraction faite des primes et des contreparties concernant les rentes), atteignaient 4,8 milliards de dollars en 1986; de ce montant, 3,3 milliards de dollars, soit 69 %, ont été versés en vertu des régimes individuels, le solde ayant été versé au titre des régimes collectifs. Les compagnies canadiennes constituées en sociétés comptent pour 76 % des primes d'assurance-vie au Canada, par rapport à 76 % et 75 % les deux années précédentes.

Pratiquement toute l'assurance collective en vigueur prend la forme d'une protection temporaire. Toutefois, la proportion de l'assurance individuelle en vigueur qui prend la forme d'une protection temporaire est également importante. Il est estimé que 53 % du montant de l'assurance individuelle en vigueur au Canada est sous forme de protection temporaire. Étant donné la grande popularité de ce genre d'assurance, le pourcentage des nouvelles polices d'assurance individuelle mises en vigueur au Canada sous forme de protection temporaire est encore plus élevé. Abstraction faite de l'incidence de la réassurance cédée et des affaires émises par les sociétés de secours mutuels, il est estimé que des 90,8 milliards de dollars du total de l'assurance individuelle nouvellement en vigueur au Canada en 1986, 62 % ou 56,2 milliards de dollars proviennent des assurances temporaires ou des assurances temporaires supplémentaires.

Au Canada, le revenu total des primes d'assurance-vie, y compris les rentes, s'est élevé à 11,7 milliards de dollars, en hausse de 11 % par rapport à 1985. De ce montant, 6,9 milliards de dollars, ou 59 % du total, représentaient des contreparties de régimes de rentes. Du total de 6,9 milliards de dollars atteint en 1986, 3,3 milliards de dollars, soit 48 %, représentaient les primes reçues en vertu de régimes de rentes individuels, les 3,6 milliards de dollars restants, soit 52 %, provenant de régimes de rentes collectifs émis aux employeurs qui souhaitent offrir des prestations de retraite à leurs employés.

En ce qui concerne la participation servie aux titulaires de polices d'assurance à participation et de rentes, un total de 913 millions de dollars a été versé ou porté au crédit de leurs comptes en 1986, en hausse de 8 % par rapport à 1985.

Opérations d'assurance contre les accidents et la maladie des compagnies d'assurance-vie

Les primes souscrites au Canada eu égard aux opérations d'assurance contre les accidents et la maladie des compagnies d'assurance-vie sont passées à 2,8 milliards de dollars en 1986, une augmentation de 6 % par rapport à 1985. Les éléments d'actif affectés à l'assurance contre les accidents et la maladie ont augmenté de 12 % au cours de l'année au Canada pour s'établir à 4,89 milliards de dollars à la fin de 1986.

En ce qui concerne l'assurance contre les accidents et la maladie au Canada, le ratio sinistres-primes, qui permet de mesurer le rapport entre les sinistres survenus et les primes gagnées, a augmenté pour atteindre 90 % en 1986, alors qu'il s'établissait à 88 % en 1985.

Nouvelles dispositions législatives

Sanction royale a été donnée le 30 juin 1987 à deux projets de loi (C-42 et C-56) qui concernent les compagnies d'assurance et les sociétés de secours mutuels enregistrées au niveau fédéral.

Le projet de loi C-42, Loi concernant les institutions financières et le système d'assurance-dépôts, a été proclamé le 2 juillet 1987. La partie I du projet de loi contient la *Loi sur le Bureau du surintendant des institutions financières* et prévoit la création du nouveau Bureau du surintendant des institutions financières, lequel combine les fonctions du bureau de l'Inspecteur général des banques, qui était précédemment chargé de surveiller les banques à charte, et celles du Département des assurances, lequel était précédemment chargé de surveiller les compagnies d'assurance, de fiducie et de prêt, les associations coopératives de crédit, les sociétés d'investissement fédérales, et les régimes de retraite assujettis à la compétence fédérale.

La Loi sur le Département des assurances, en vertu de laquelle avait été créé l'ancien Département des assurances, a été abrogée par le projet de loi C-42. Les principales dispositions de la Loi sur le Département des assurances, y compris celles ayant trait au recouvrement des frais administratifs au moyen de cotisations prélevées sur les institutions financières, sont modifiées et incorporées dans la Loi sur le Bureau du surintendant des institutions financières.

Le projet de loi C-42 contient également un certain nombre de modifications à la Loi sur les compagnies d'assurance canadiennes et britanniques et à la Loi sur les compagnies d'assurance étrangères. Les plus importantes d'entre elles modifient et élargissent les pouvoirs du surintendant des institutions financières et du ministre des Finances, lesquels peuvent reprendre en main une compagnie d'assurance enregistrée au niveau fédéral (ou ses actifs) en cas de violation de certaines exigences législatives. D'autres modifications ont trait au transfert de certaines responsabilités du ministre de la Consommation et des Corporations au ministre des Finances, et de ce dernier au surintendant des institutions financières. Les autres dispositions ont trait à certains aspects administratifs de moindre importance de la loi ou à des modifications résultant de l'abrogation de la Loi sur le Département des assurances et de son remplacement par la Loi sur le Bureau du surintendant des institutions financières.

Le projet de loi C-56, Loi modifiant certaines lois concernant les institutions financières, a été proclamé le 3 juillet 1987. Cette loi contient également un certain nombre de modifications importantes à la Loi sur les compagnies d'assurance canadiennes et britanniques et à la Loi sur les compagnies d'assurance étrangères. Il s'agit notamment des modifications qui autorisent le surintendant à émettre des directives à l'égard d'une compagnie enregistrée qui a recours à des pratiques commerciales dangereuses ou malsaines dans la conduite de ses affaires et de prescrire, en se fondant sur des évaluations indépendantes, des valeurs à l'égard des biens immobiliers qui, selon le surintendant, sont surévalués.

Une autre modification exige que chaque compagnie qui effectue des opérations d'assurance-vie maintienne à l'égard de telles affaires une certaine marge d'actif par rapport au passif et certaines formes et certains montants de liquidités pouvant être prescrits par règlement ou par directive du Ministre. Avant de prendre un tel règlement, des consultations étroites auront lieu avec l'industrie et les autres parties intéressées.

En ce qui concerne les pouvoirs des compagnies d'assurance canadiennes en général, le projet de loi prévoit qu'elles pourront formellement acquérir, moyennant l'approbation écrite préalable du Ministre, plus de dix pour cent des actions d'une maison de courtage ou des actions d'une compagnie qui détient des actions d'une maison de courtage.

Le projet de loi limite les pouvoirs existants des compagnies enregistrées de réassurer les risques qu'elles assument en exigeant que le surintendant approuve au préalable la cession des affaires à des compagnies affiliées. Le règlement définira l'expression compagnies affiliées. Le projet de loi autorise également le gouverneur en conseil d'établir par règlement d'autres limites et d'autres modalités ne se limitant pas aux transactions entre compagnies affiliées. Aucune limite ni modalité supplémentaires ne seront imposées en matière de réassurance des affaires d'assurance-vie pour le moment.

Le projet de loi permet également au surintendant d'exiger que toute compagnie enregistrée produise des états financiers provisoires lorsqu'il estime nécessaire de surveiller de particulièrement près sa situation financière.

Le projet de loi contient en outre certaines modifications techniques aux dispositions actuelles de la loi concernant le recouvrement, auprès de l'industrie de l'assurance, des frais administratifs engagés par le surintendant lorsque celui-ci exerce le contrôle d'une compagnie à la suite d'une directive du Ministre ou d'une ordonnance judiciaire prescrivant la liquidation de la compagnie.

Respectueusement présenté,

Le surintendant des
institutions financières,
M.A. Mackenzie

ILLUSTRATIVE DIVIDENDS TO POLICYHOLDERS

In previous reports, it has been the practice to publish under the above heading, for each company issuing participating policies, information on premiums charged and on dividends paid during the year under review for participating whole life, 20-payment life and 20-year endowment policies issued 3, 6, 9, 12 and 15 years prior to the year under review. Figures were published for policies issued at ages 25, 35, 45 and 55. Companies were required to provide this information in the annual statement filed with the Office.

When the statement form was revised in 1978, the format of the information required regarding premiums and dividends was changed. Companies are now required to provide the following information in respect of a whole life participating policy for $10,000, a whole life non-participating policy for $10,000, and a 5-year renewable and convertible term insurance for $100,000:

(1) the annual premium charged on such policies currently being issued at ages 25, 35, 45 and 55 (for 5-year renewable term insurance, information must also be given on the premiums to be charged at each of the next three 5-year renewal periods);

(2) guaranteed cash surrender values, if any, at durations of 5, 10, 15 and 20 years;

(3) for participating policies the dividends that the company would pay at each of durations 1 through 20 if the current scale of dividends were to be maintained (dividends, of course, are not guaranteed).

This information is sufficient to permit the calculation of most of the cost comparison indices that may be of interest to consumers.

Because of the volume of the data, it has not been published in this report. However, anyone interested can obtain this information in regard to any registered company by writing to the Office of the Superintendent of Financial Institutions Canada, Ottawa, Ontario, K1A OH2.

EXEMPLES DES PARTICIPATIONS

Dans les rapports antérieurs, on avait l'habitude de publier, en ce qui concerne chaque compagnie qui établit des polices avec participation, des renseignements relatifs aux primes prélevées et aux participations versées pendant l'année à l'étude, dans le cas des polices d'assurance-vie entière avec participation, des polices d'assurance-vie de 20 paiements et des polices d'assurance mixte de 20 ans, établies 3, 6, 9, 12 et 15 ans avant l'année à l'étude. Les chiffres relatifs aux polices émises aux âges de 25, 35, 45 et 55 ans ont été publiés. On avait demandé aux compagnies de fournir ces renseignements dans l'état annuel présenté au Bureau.

Lorsque le formulaire de l'état a été révisé en 1978, la présentation des renseignements requis concernant les primes et les participations a été modifiée. Dans le cas d'une police d'assurance-vie entière avec participation de 10,000 $, d'une police d'assurance-vie entière sans participation de 10,000 $, et d'une police temporaire de 5 ans renouvelable et transformable de 100,000 $, les compagnies devront maintenant fournir les renseignements suivants:

1) la prime annuelle prélevée sur les polices qui sont établies couramment aux âges de 25, 35, 45 et 55 ans (dans le cas de l'assurance temporaire renouvelable de 5 ans, des renseignements doivent également être fournis à propos des primes qui seront prélevées à chacune des trois prochaines périodes de renouvellement de 5 ans);

2) les valeurs de rachat en espèces garanties, s'il en est, aux échéances de 5, 10, 15 et 20 ans;

3) dans le cas des polices avec participation, les participations que la compagnie prévoirait verser à chacune des échéances allant de 1 à 20, si le barème actuel était maintenu (les participations, évidemment, ne sont pas garanties).

Ces renseignements seront suffisants pour permettre le calcul de la plupart des indices de comparaison des coûts qui peuvent intéresser les consommateurs.

En raison de la quantité des données, celles-ci ne sont pas publiées dans le présent rapport. Toutefois, toute personne intéressée peut obtenir ces renseignements dans le cas d'une compagnie enregistrée, en écrivant au Bureau du surintendant des institutions financières Canada, Ottawa (Ontario) K1A OH2.

BASES OF VALUATION OF ACTUARIAL RESERVES

Previous volumes of this report (those applicable to the 1978 to 1983 statement years) included, in respect of each life insurance company, summaries of the bases of valuation used by the valuation actuary of the company to calculate the year-end actuarial reserves for the major subdivisions of the policies in force.

In response to requirements that the publication be streamlined the Office proposed that the annual reporting of the valuation basis summaries be discontinued. In that regard the comments of various users known or expected to be affected by the proposal were sought. The general consensus was that it would be acceptable to cease including descriptions of actuarial valuation bases in the Report of the Superintendent.

Because, however, the information is included in the annual statement but is excluded from the electronic data bank that is accessible by the public and in furtherance of a general policy that such information be disclosed to interested persons, the Office is quite prepared to provide to inquirers, at cost, photocopied reproductions of the displays of bases of valuation that are included in the most recently filed annual statements of the company or companies specified by the inquiry. Should more detail than such as is provided in these displays be required the request will be referred to the company's (companies') valuation actuary (actuaries) for handling. It is the policy of the Office to treat information included in the reports of valuation actuaries as strictly confidential.

BASE D'EVALUATION DES RESERVES ACTUARIELLES

Les précédents volumes de ce rapport (concernant les états de 1978 à 1983) comprenaient, à l'égard de chaque compagnie d'assurance-vie, des résumés des bases d'évaluation utilisées par l'actuaire responsable de l'évaluation de la compagnie pour calculer les réserves actuarielles en fin d'année des principales subdivisions des polices en vigueur.

Pour faire suite aux exigences de rationalisation de la publication, le Bureau a proposé que la communication annuelle des résumés des bases d'évaluation soit discontinuée. A cet effet, on a demandé l'avis de plusieurs utilisateurs touchés ou susceptibles d'être touchés de cesser d'inclure dans le rapport du surintendant les descriptions des bases d'évaluation des réserves actuarielles.

Toutefois, comme les renseignements sont compris dans l'état annuel mais ne figurent pas dans la banque de données électronique accessible au public et afin de permettre aux intéressés d'avoir accès à de tels renseignements, le Bureau est tout à fait disposé à fournir aux demandeurs, moyennant paiement des frais, des reproductions photocopiées des tableaux des bases d'évaluation qui figurent dans la plupart des états annuels récemment déposés par la ou les compagnies visées par l'enquête. Si de plus amples détails que ceux qui sont fournis dans ces tableaux sont demandés, la demande sera transmise à l'actuaire (aux actuaires) responsable(s) de l'évaluation de la compagnie (des compagnies). Le Bureau a pour politique de considérer comme strictement confidentiels les renseignements contenus dans les rapports des actuaires responsables de l'évaluation.
